Midas Rex[®] MR7

NEXT GENERATION OF HIGH-SPEED PNEUMATIC MOTORS

*Exceptional power.
Surprisingly agile.
Performance reinvented.*

Midas Rex[®] MR7

Power and Performance Reinvented.

Forty years later, we still believe in continuous innovation and learning from experience. The Midas Rex[®] MR7 and **new** MR7 Touch High-Speed Pneumatic Motors deliver the dynamic power and performance you expect, and then some. With innovative proprietary technology throughout the system, every component is carefully engineered and manufactured for maximum power with increased durability.

Exceptional Power.

- Delivers more torque and power when you need it most
- 72,000 rpm at 120 psi/8 bar

MR7

- ▶▶ 20% more power*
- ▶▶ 20% more torque*

Dynamic Performance Technology.

- Patented technology designed to deliver efficient performance
- Precision-engineered and manufactured for quality and durability
- Innovative lubrication system for consistent oil delivery in every case

*Compared to Midas Rex Legend Gold[®] System

**Compared to Midas Rex Legend Gold[®] Touch

Midas Rex[®] has 40 years of leadership and innovation in high-speed pneumatic drills.

MANUE REINVENTED.

MR7 Touch

- ▶▶ 10% more power**
- ▶▶ 15% more torque**

Control at Your Fingertips.

- Additional convenience in the OR
- Ergonomically designed adjustable extension lever
- MR7 Touch only

Standardized Platform.

- Uses the Legend® dissecting tools and attachments
- Comprehensive product line to meet your needs

User-Friendly Foot Control.

- Open pedal design for easy access and repositioning
- Automatic port cover helps protect the motor port when not in use
- Compatible with Midas Rex® Legend Gold®, Legend Gold Touch®, and Legend Platinum® motors
- Easy to set up, service, and expand

Power and Performance You Can Depend On.
