# The Stryker Cast Removal System

50 Years of Cast Room Experience

## Cast Cutter

50 Years of Cast Room Experience Combined with Today's Technological Advances

### Features/Benefits

- **Two Speed Control:**
  - **Standard Speed.** Very quiet, yet powerful enough to remove most casts.
  - **High Speed.** Increased speed for quickly removing even the thickest body jackets and hip spicas.
- **Versatile:** May be used with Vacuum or plugged directly into wall.
- **Quick Connect Vacuum Mount**
- **Impact Resistant Housing**
- **Traditional Ergonomic Design:** Ensures comfort and control while cutting.
- **Integral Vacuum Housing:** Reduces overall size while improving balance and mobility.

## Cutting Accessories

### Cast Blades

0940023000  
Ion Nitrided Blade

0940035000  
Titanium Nitrided Blade

0940025000  
Stainless Steel Blade

0941000000  
Cast Cutter

- **Efficient DC Motor:** With speed feedback, unparalleled power, less heat build up.

- **Quick Change Blade Mount**

## CastVac™

Vacuums and Cast Room Accessories

### Features/Benefits

- **Detachable Canister Lid:** Quick and easy emptying of dust collection filter.
- **Tool Bracket:** conveniently stores small cast spreader, scissors, screwdriver, and blade removal tool on back of stand.
- **Five Wheel Mobile Stand:** Provides stability and easy transportation.
- **Easy to operate Three Way Power Switch**
- **3,65m Cord**

- **Swivel Hose Mount:** Allows for easy movement of the 2,4m Vac Hose.
- **Quiet Vacuum:** Reduces noise level of the entire system.
- **Handpiece Control:** Vacuum automatically turns on when Cast Cutter is activated.
- **CastVac™ Specs:** 51 x 51 x 88 cm Tall

0996000000  
220-240V Vacuum
